Subject: Prototype Demonstration Meeting

Good morning, afternoon, or evening Mr. Roberto Alcivar,

I hope you are well.

The reason for this email is to notify you that we have made progress with the functional web prototype of the project, and we have a portion of the mobile application ready. Therefore, we would like to meet with you to allow you to review them and provide us with feedback. Additionally, we would like to address certain questions we have regarding the API and the web protocol it utilizes.

I propose that this meeting take place tomorrow, Thursday, July 20th, at 10:40.

With nothing more to add, except to express our gratitude for your patience and loyalty.

Kind regards.
